SEPTEMBER 22—23, 2018

COLOGNE SINGAPORE CITY

SINGAPORE

11TH ASIA-PACIFIC SYMPOSIUM

SEPTEMBER 22—23, 2018 • SOFITEL SINGAPORE CITY • SINGAPORE

Co-Sponsored by
COLLEGE OF GENERAL DENTAL PRACTITIONERS SINGAPORE
The World Clinical Laser Institute is a close-knit network of thousands of dental professionals who share a passion for improving the patient experience and building the best possible practice. We welcome you to this exciting symposium event and are excited to share our unique blend of education, fellowship and fun while learning about the latest trends in laser dentistry.

SOFITEL SINGAPORE CITY CENTRE

Sofitel Singapore City Centre rises above the Tanjong Pagar MRT station, a prime location from which to contemplate and explore the Garden City. Part of a futuristic urban development plan that juxtaposes high-rise multipurpose towers with lush parks, the hotel is an icon of French sophistication in the heart of Singapore’s vibrant business district.

SEPTEMBER 22—23, 2018    SOFITEL SINGAPORE CITY    SINGAPORE

“It is a privilege to share your passion & interest over the latest advances in dental laser technology with you this weekend. We thank you for your attendance at this event and hope you enjoy!”

Dr. Christopher J. Walinski
Executive Director, WCLI
Dr. Michael Danesh-Meyer — New Zealand
Dr. Danesh-Meyer gained his BDS and MDS (with Distinction) from University of Otago. He is the founder of the Auckland Dental Implant Forums and Dental Implant Network. He is a Fellow of the International Congress of Oral Implantologists, ITI member, Faculty member for GIDE/UCLA Masters program in implant dentistry, and an Associate Fellow of the WCLI.

“Laser Management of Periodontal and Peri-Implant Tissues in Health and Disease”

Dr. David Kim — USA
Dr. David Kim received his dental degree from the University of Maryland Dental School, and completed his Doctor of Medical Science (D.M.Sc.) in oral biology from the Harvard School of Dental Medicine. He is also an Associate Professor and the Director of the Postgraduate Program in Periodontology and the Continuing Education at the Harvard School of Dental Medicine.

“Laser Applications in Periodontics: Truth or Myth?”

Dr. Justin Kolnick — USA
Dr. Kolnick received his B.D.S. cum laude from the University of the Witwatersrand in Johannesburg, South Africa. His practice, Advanced Endodontics of Westchester, NY, is dedicated to fostering excellence in endodontics through education and the incorporation of the latest technology. He continues to lecture extensively on a local, national, and international level and has published several articles on endodontics.

“Emerging Trends in Endodontics”

Dr. Ki-Tae Koo — Korea
Dr. Koo received his Dental Degree at Yonsei University in Seoul, Korea. He then obtained his Masters of Science degree in Oral Biology from Temple University in 2003. During this time, he also received advanced training in periodontology. Dr. Koo received his Doctorate in Periodontology from Yonsei University in 2007.

“Laser and Alveolar Ridge Preservation of Severely Compromised Extraction Sockets: A Win-Win Combination”

Dr. Jerry C. Lin — Taiwan
Dr. Lin received his certificate in periodontology and Doctor of Medical Science in Oral Biology from the Harvard School of Dental Medicine. Dr. Lin teaches as a lecturer at the Harvard School of Dental Medicine and as an assistant professor at the Taipei Medical University. Dr. Lin has his own private practice in Taipei.

Register today at wcli.org/2018singapore
Dr. Yue Weng Cheu — Singapore
Dr. Yue completed his BDS degree at the National University of Singapore and was awarded The Pierre Fauchard Academy Foundation Annual Scholarship Award. He was elected Fellow of the Royal Australasian College of Dental Surgeons, and Fellow of the International College of Dentists.

“Wellness through the Power of the Tongue - Laser in managing Restrictive Frenums”

Dr. Kelvin Chua — Singapore
Dr. Chua graduated from National University of Singapore. He spent nearly 4 years working in institutions including National University Hospital and Singapore Armed Forces. Dr. Chua has been inducted into International College of Dentists as a fellow and obtained certifications from World Clinical Laser Institute and Academy of Laser Dentistry, as well as certification of competency in Botulinum Toxin. He is also a Digital Smile Design member.

“Digital Smile Design and Laser Dentistry: The New Frontier for Gummy Smile Management”

Dr. Christopher J. Walinski — USA
Dr. Walinski has been an author, instructor and innovator in laser dentistry for more than a decade. He was a Founder of, and has achieved Master recognition from the WCLI, and has Laser Certifications through the Academy of Laser Dentistry. Currently, he is the Executive Director for the World Clinical Laser Institute.

“Innovations and Updates in Laser Dentistry”
